MAHABALIPURAM | 3 Nights

Noted in history as a busy port town, Mahabalipuram rose in stature and importance during the period between 4th and 9th century when the Pallava dynasty ruled the land. The temples built during this era loudly proclaim the glory of the Dravidian architectural genre. The highlight of this style can be seen in the ornate stone carvings made from uncut rocks. The splendour of sculptures that adorn these temples are simply stunning. The classic example of this is the Shore temple, one of the oldest temples in India built out of blocks of granite. These majestic structures and their relics that can be seen today, have made Mahabalipuram a UNESCO World Heritage Site.
